01745 332528

A Swishing party is simple, just follow the Rules of the Rail:

Everyone must bring at least one item of quality clothing, or shoes, jewellery or handbag.

You will have half an hour to browse before the swish opens.

No item may be claimed before the swish opens.

As soon as the swish is declared open, everyone may take what they want.

No money is exchanged – all Swishable clothes are free to whoever claims them first.

If two people want the same garment, we toss a coin.

Remember no scratching, spitting or fighting!
